Will do.

Nothing to report today so far, but tomorrow the Houston Lab may have some results to report.

Jim

Cool. We worked together at the start. Just making sure we covered that part for Saturday's Ops Report.

Jim – Please add me to the ongoing updates for Craft Turney. I'm back on Phone Duty for Bill Starting Friday.

Thanks

Bill – who is providing Craft – Turney Updates to you? Could you email them so that they start sending them to me after tomorrow morning's Ops Report?

Thanks

Exercises

No exercises for this reporting period

Craft-Turney DW Incident: The WSC continues flushing targeted areas of the system where Chlorothalonil is believed to still be present. Yesterday the TCEQ collected samples from 35 locations and shipped them to the EPA Houston Lab for MBT analysis. Preliminary results on the first 20 samples should be available by COB Friday.
